❤️ Personal, patient support

LESS PRESSURE. MORE POSSIBILITY.

Learning clicks when someone *gets you*.

At their pace.

Space to ask the same question twice. We break things down until the next step feels manageable.

With someone relatable.

Friendly tutors who remember what it’s like to be a student — and bring patience to every lesson.

Beyond the right answer.

Understanding comes first, so students can work through the “why” and take the next step themselves.

A HELPING HAND AT EVERY STAGE

Little learners. *Big next chapters*.

THE FOUNDATIONS

01

Elementary

Grades K–5

Patient, step-by-step help with everyday schoolwork — and encouragement to keep trying.

OUR SWEET SPOT

02

Junior high

Grades 6–8

Unpacking tricky concepts, homework support, and practice explaining their thinking.

LET’S FIND THE FIT

03

High school

By subject & availability

Already tutoring a ninth grader. Share the course and we’ll discuss whether we can support it.

THE HEART OF BRIGHTSIDE

Two sisters. One *bright idea*.

We’re two sisters who studied at Seven Lakes High School in Katy. We believe a good explanation — and someone who believes in you — can change how learning feels.

Already tutoring students in sixth and ninth grade, we’re opening our doors to more families, with the same personal attention.

* Rooted in Katy, Texas — **Seven Lakes High School background**. Also: assignment prep, research skills, online competition prep.

Room for learning.

HOUSTON TIME
